JOY²⁴ | 

We believe that outdoor spaces should reflect your home, and your lifestyle. To make it possible, we reinvented the garden furniture, as we know it.

TIARA ⁴⁵ | 

Create your own unique elegant environment with our
extensive range of modern furniture.

Lounge Collection outdoor furniture are fully upholstered with the durable Sunbrella® fabrics suitable for heavy duty usage and environments with unpredictable weather conditions.

Our everyday lifestyle is changing and our outdoor spaces become a beautiful extension of our living room. With high quality durable materials & beautiful designs, we can now live our outdoors to the maximum.

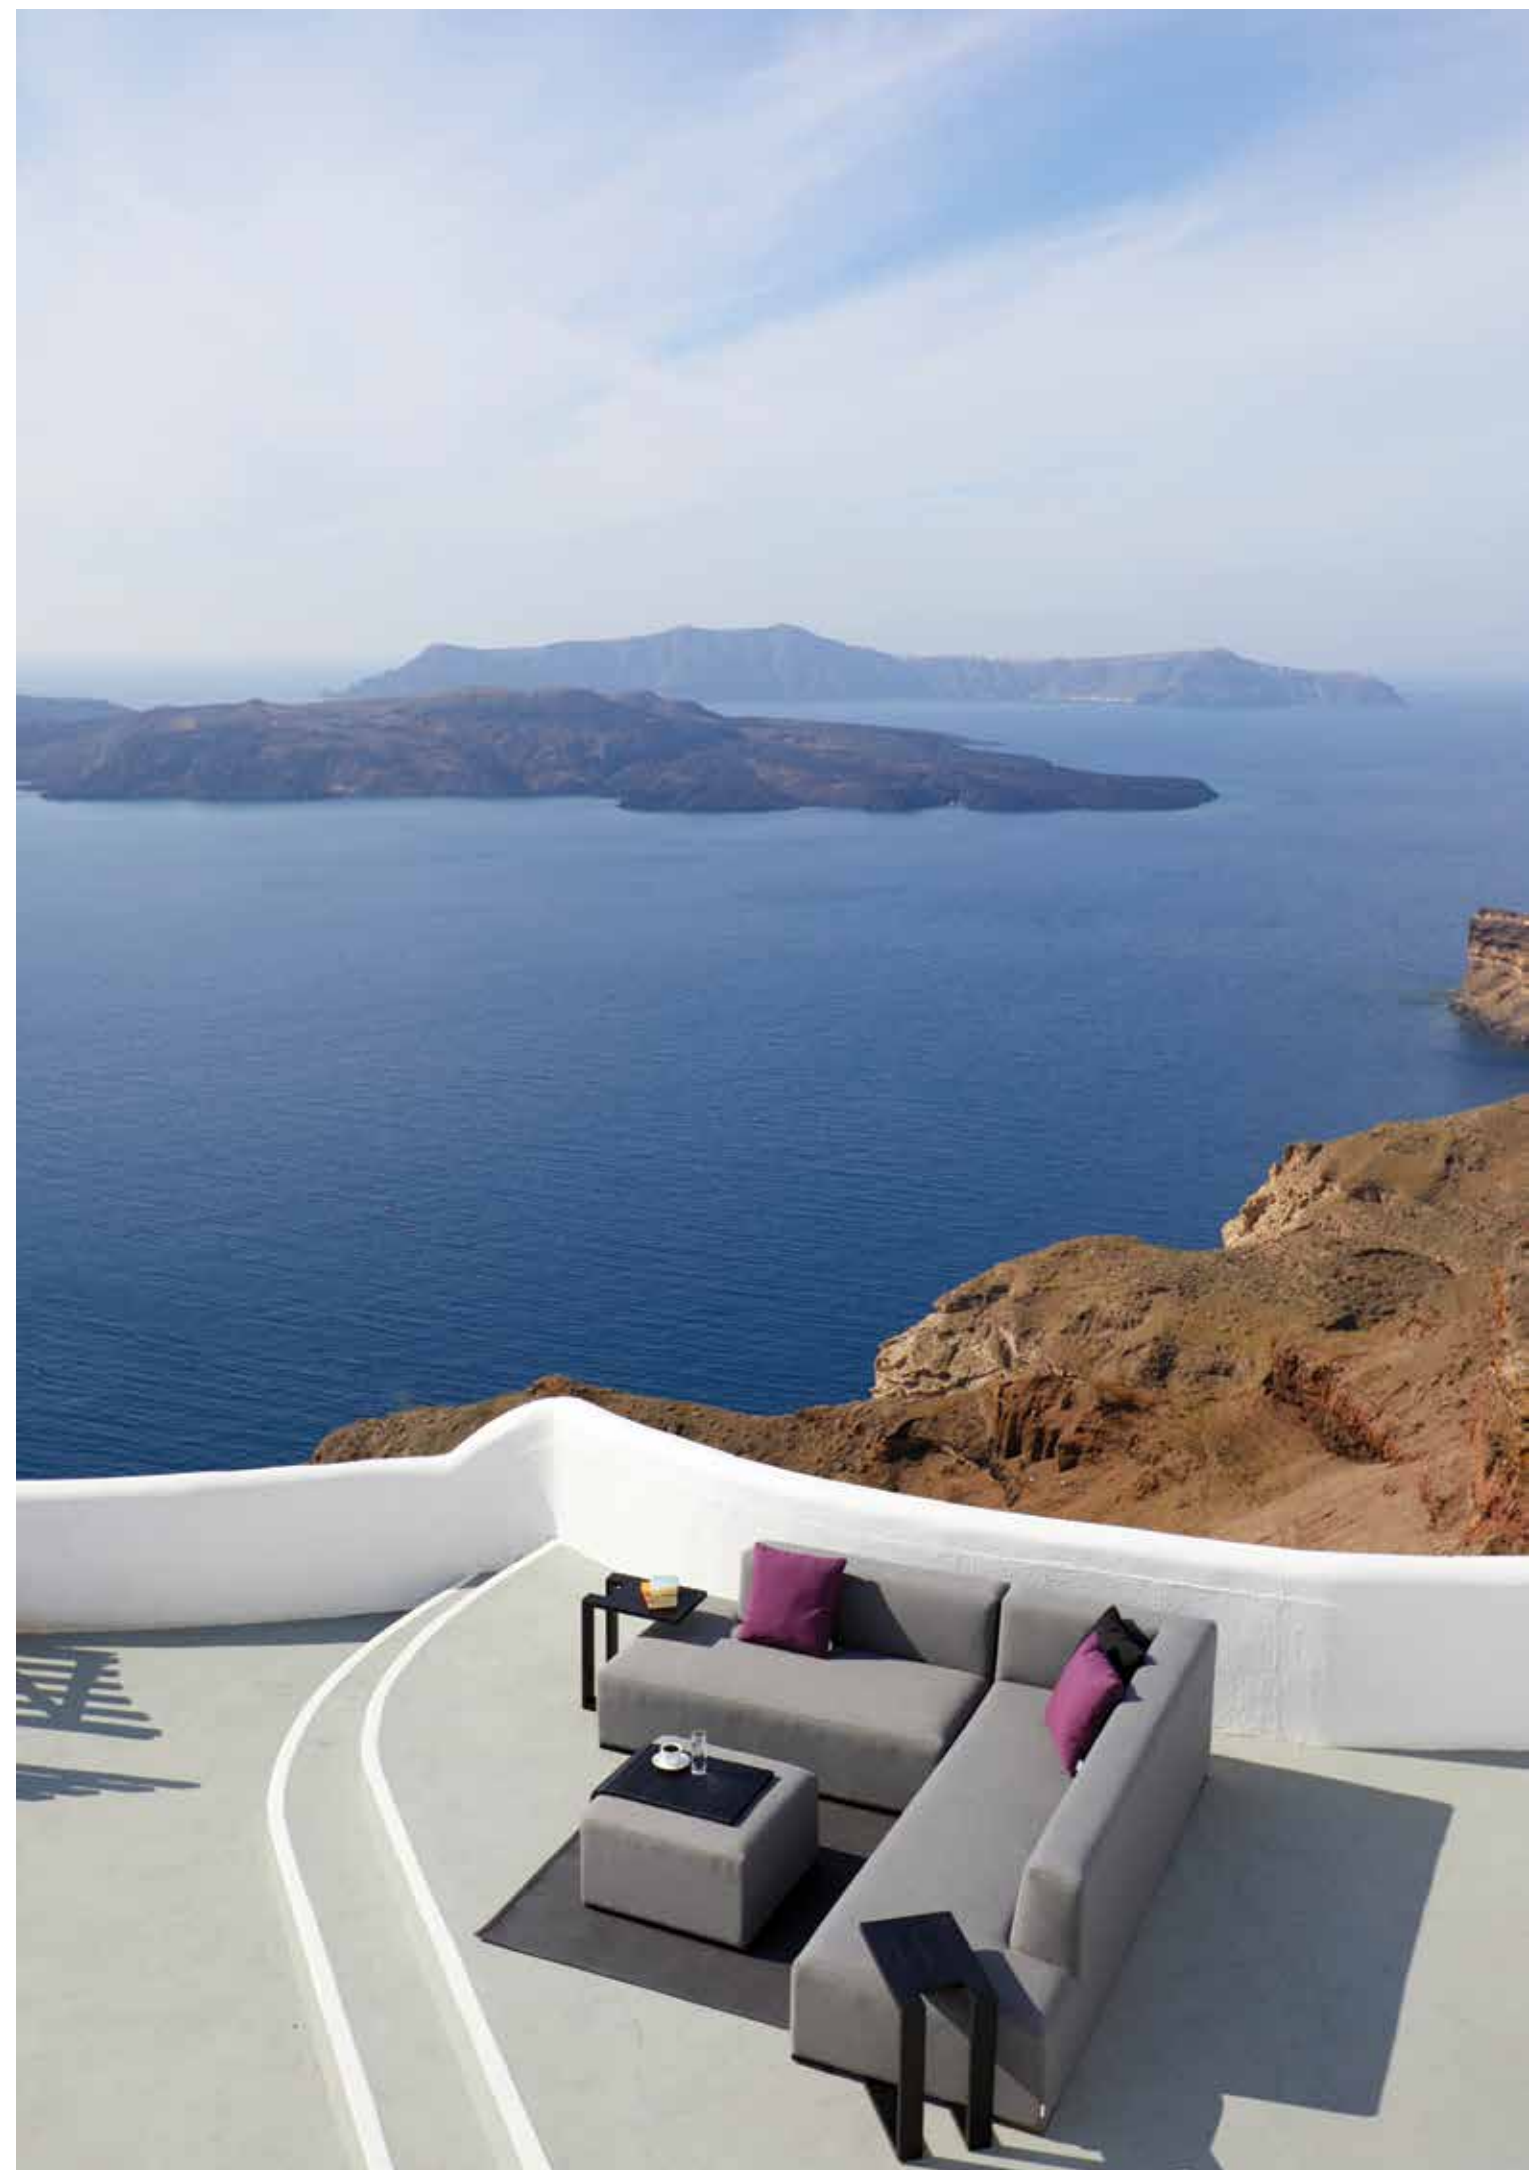

Sit comfort and beauty are the core of our product range, and are present through out in every part of our design and manufacturing process.

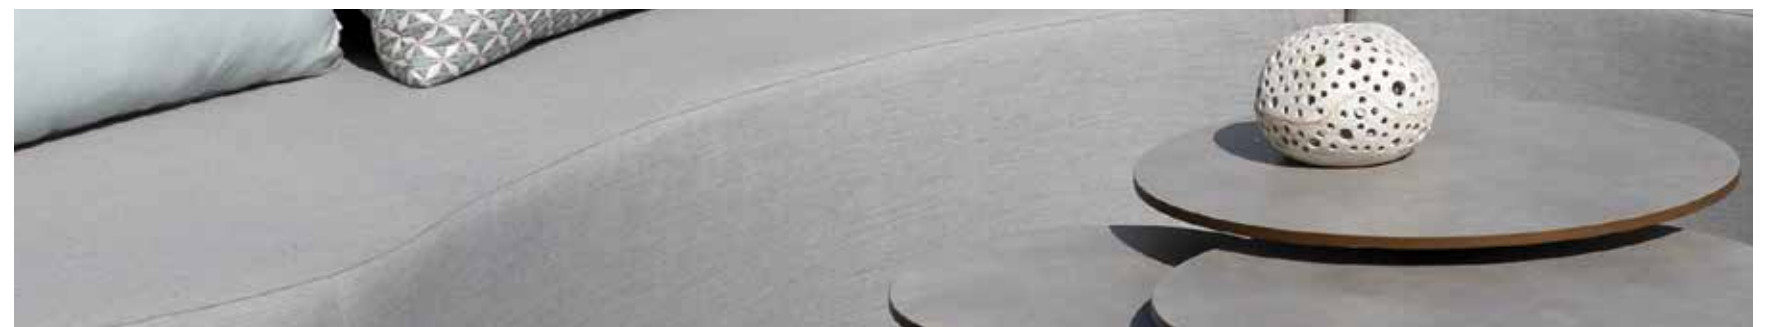

SKY ⁷⁵ | 

By using breathable materials, we ensure a constant air circulation inside our furniture. This makes it possible that after a heavy rain the furniture can dry completely after 30 minutes.

EGO ¹⁰¹ | 

Outdoor lounge collection is upholstered with Sunbrella® fabrics which are steeped in top quality dyes during the actual manufacturing process, when the acrylic is still liquid. As a result the fabrics yarn is colored all the way to the core so its original vibrancy lasts on and on.

Design + Performance™

The textiles are made with close attention to design detail, and engineered with robust performance characteristics that provide resistance to fading and degradation from sunlight and chemical exposure. The fabrics are tactile yet durable, have industry leading environmental characteristics, they are easy to care for and offer long life – wherever they are used.

All the benefits of Sunbrella® fabrics:

EASY CARE

Sunbrella® fabrics can be easily cleaned with a soft bristle brush and soapy water (add 50ml of bleach per liter of water in case of tough or stubborn stains). Rinse with clear water and let dry.

Cleaning Instructions

Upholstery Care and Cleaning. One of the best ways to keep Sunbrella® fabrics looking good is to brush off dirt before it becomes embedded in the fabrics and wipe up spills or clean soon after a stain occurs. The quicker you clean spills and stains, the easier they can be to remove.

Try this first... With a new spill or stain on your Sunbrella fabric.

- Blot (don't rub) liquid spills with a clean, dry cloth. For oil-based spills, apply an absorbent such as corn starch, then remove with a straight edge.
- Spray on a mild cleaning solution of soap (such as Dawn or Woolite) and water.
- Rinse the fabric thoroughly to remove all soap residue.
- Airdry.

Try this next... If your first try doesn't get the stain completely out.

Go through the following instructions:
